Dear Parents/Guardians;

This year at ZCMS we have begun a NO “F” initiative. We believe all students can and will succeed. There should be no doubt in your or your child’s mind that this can be achieved. With this in mind we have created Saturday School. If your child is receiving an “F”, in one or more classes as of November 19, 2009 your child will receive a letter like the one on the opposite side. If your child brings a letter home please sign and return to main office before the first session which begins on November 21st.

Thank you and with your support we can achieve success with our no “F” initiative.
